SCRIPTURE/THEME	Developing a Relationship With Our Creator			Learning to Be Led by the Holy Spirit		Understanding the Role of the Church in the Great Commission	
TAKE-AWAY	This study lays the foundation for a biblical worldview. Since God is our Creator, all people have value and purpose. He determines the conditions of our relationship with Him. Authentic love and worship should be the result of recognizing Him as our Creator, Provider, and Sustainer.			The Force, the Universe, Fate, conscience, an inner voice, or departed spirits: are these reliable guides for life? How do they compare to the Holy Spirit? This study highlights the ministry of the Holy Spirit in the lives of believers and examines how believers can be encouraged and strengthened by the indwelling Spirit of God.		Gradual processes over eons of time or cataclysmic events—which view best explains our world today? This study investigates the stories of people of faith and pivotal events in human history and how they shaped our world. Students are challenged to consider how God has been involved in the lives of people in the past, and recognize He is still active in their lives today and has a plan they can follow.

SCRIPTURE/THEME	Examining How Jesus Fulfilled the Promises of the Messiah		Trusting God When the Going Gets Tough		Scripture: There's an APP for That.	
TAKE-AWAY	Did Jesus have to die? Is He the only way to God? This study investigates why it was necessary for Jesus Christ to take on the form of a servant to fulfill the role of the Messiah. Believers are encouraged to follow the example of His life as an illustration of how to serve others to bring them to a right relationship with God.		Why do bad things happen to good people? Is there justice in this world? How are we to cope when life falls apart and God doesn't make sense? Where does one find answers to these questions? This study looks at these difficult questions of life and weighs the value of Job's experience as a source of hope for believers today, equipping them to trust God through tragedy and hardship.		We live in a pluralistic society. The "melting pot" of our culture is more like a TV dinner with everything divided in its own little compartment. How are believers to deal with all the cultural issues of our society? Particularly, how are we to respond to teachings and behaviors that are contrary to Scripture?
